

12/16/08

Dear Employer,

Hello schools, clinics, agencies, private practices, hospitals and nursing homes!

Let us take a moment to introduce ourselves. We are STASLHA, The Southern Tier Area Speech-Language-Hearing Association, a nonprofit organization of Speech/Language Pathologists and Audiologists from Broome, Tioga, Delaware, Tompkins, Cortland, Chenango, Chemung, Steuben, and Schuyler counties.

We are now offering employers advertising space in our professional newsletter, TIER TALK. This free ad, up to 30 words in length, will provide our Speech/Language Pathologists and Audiologists the opportunity to find employment in their areas of expertise and in preferred settings.

Please send your email ad to our STASLHA webmaster, Mary Emm at: memm56@yahoo.com and be sure to visit our new website at www.staslha.com to learn more about us.

We look forward to hearing from you!

Sincerely,
STASLHA
